

## **WISCONSIN STATE RABBIT BREEDERS ASSOCIATION ENTREPRENEURIAL GRANT**

### **PURPOSE & DIRECTION**

1. The purpose of this grant is to provide a youth/young member of WSRBA some money to develop and work through a project that would benefit the WSRBA, it's members, and/or the rabbit industry in Wisconsin. Applicants will be judged on the impact the proposed project has on others. The project cannot be self-serving. It must align with the main objective of the Grant Program, which is to promote and perpetuate our rabbit hobby or industry in Wisconsin.
2. The Wisconsin State Rabbit Breeders Association will offer one or more \$100-\$500.00 Entrepreneurial Grants each year. A Scholarship/Grant Committee from the WSRBA will review the applications to determine if any of the proposed projects are worthy of the grant. At the June/July meeting, the Board will determine the exact amount and number of grants to be awarded.
3. The grant winner(s) will be announced at the Annual Membership Meeting at the Wisconsin State Rabbit Breeders Convention in September.
4. The grant award money can be presented to the winner anytime from the State Convention that the award was announced to the next State Convention, depending on the nature and timing of the project to be funded. If the project does not get underway by that time, the money will be forfeited.
5. A completed application form shall be sent to: Wisconsin State Rabbit Breeders Association, c/o Kevin Buttles, N7605 Miller Rd., Black Creek, WI 54106-9107

## APPLICATION INSTRUCTIONS & REQUIREMENTS

A form will be provided for this purpose. The WSRBA Scholarship/Grant Committee will appoint a WSRBA member to act as a mentor who will provide guidance and advice as needed. The winner is expected to keep the mentor informed of progress and activities planned and completed so that such information can be presented to the Board at the next appropriate meeting. Although frequent and scheduled verbal communications are expected, written documentation of progress and activities is required. The WSRBA mentor will assist with this reporting process.
5. Grant winners are expected to give a short presentation about their project at the first WSRBA State Convention following the completion of their project. A simple form will be provided to the member to assist with the outline of the presentation.
